

Katie Ormston | Student

Writtle University College, Chelmsford, CM1 3RR - 07905140096 - katieormston1999@gmail.com

Personal Statement

An enthusiastic, hard working person, who can apply herself to any challenging situation. A brilliant listener who enjoys learning skills and teaching them to others. Is a great leader, but can effectively work as a team and communicate with others too. Always looking for opportunities to further her learning and knowledge.

Work History

Image Engineer Assistant, 07/2015 - 09/2015

Ian Davies - Sydney Hoopers Engineers - Kirby

Assisted in assessing various images of damaged vehicles and valuing them to review on whether the vehicle would be a total loss or not. Also, inputting client data into the database and adding the appropriate local insurance location to the address of the client. Took on other various office jobs to help the engineers in the office.

Stable Worker, 06/2014 - 07/2014

Jo Mason - Park Lane Liveries- Meols

This was my voluntary work experience. I worked here for one week, I incorporated the skills I was acquiring including communication and confidence. As well as this, I encountered working with people and animals which was an interesting and enjoyable experience. I organized this placement myself and had 100% attendance.

Staff member, 02/2016 - 03/2016

Tracey - Adventureland - New Brighton

Supervised children on playing equipment and maintenance of the play area. Helped with organising children's parties, therefore dealing with food and hygiene also. I was also trained on the climbing wall to make sure that the children were safe in harnesses and on the wall.

Shop assistant, 03/2016 - 09/2016.

Jan Wilkies - The Rock Shop - New Brighton

Gained experience working with money as working on the till is a large part of the job. Also, working with customers and food. I helped with the maintenance of the shop by making sure all the work surfaces are clean for cutting fudge. The aesthetic value is important as it appeals greatly to the customers, I keep this up to date with new stock also.

Shop Assistant, 06/2016 - 06/2016.

Paul and Jan - Aquatic and Reptile Centre

This was part of my Sixth Form Work experience. Here gained experience working with reptiles such as bearded dragons, tortoise, geckos and snakes. I was responsible for daily cleans, feeding and general welfare. As well as this, I could serve customers and work behind the till. This helped me with my confidence skills and adaptability.

Dog Groomers, 05/2017 - 06/2017

Maria - Neston pet supplies

This was my work experience in my first year of college. Here I learned vital communication skills with customers and staff and was able to build up a relationship with both. I had numerous responsibilities such as washing and drying all dogs, ear plucking, toweling and cleaning.

DoubleTree by Hilton, 05/2018 - 09/2018

Waitress/Bartender - Doubletree by Hilton Chester

During my time at the Hilton I was responsible for a variety of things. My job role included: Running the sections in the restaurant, taking bookings (hostess), waiting on, running the bar (including restocking and late bar), and room service.

- National Citizenship Service

Interests

I have always been interested in dancing from a young age and find it a fun and healthy way to keep fit, I completed a GCSE in the subject at high school. I also was a gymnast at Wallasey Gymnastics Club for 5 years until the age of 10, when I joined the local community Girlguiding group. I stayed here for a few years then later went on to be a leader and help the younger groups on activities and various camps. At the age of 13 I joined the Air Training Corps at 273 Wallasey Squadron. Here I have developed my leadership and discipline skills, along with expanding my education on things such as Principles of Flight, Airmanship, Navigation and Radio Communications; I studied this to get my higher classifications. I was part of the Corps for 5 years and developed as a person and gained lifelong skills that will carry me through university. My other interests involve caring for animals, as this is part of my degree. I have also recently joined societies at university including shooting and weightlifting.
